## About Us

With more than two decades of domain experience, we, Ayushi Trading Co., have emerged as a reliable trading firm of prefabricated building materials, parts and components, pipes and tubes. We are a well-established trader, supplier and wholesaler of quality MS Pipe, MS Clamp, Scaffolding Fixed Clamp, Roofing Sheet, LDPE Sheets, and various other products. Our company has all the necessary facilities to smoothly stock these hardware products for meeting the bulk requirements of our customers. We maintain a cordial relationship with the manufacturers of the offered products to smoothly procure the range. We maintain clear and direct communication with them to oversee the quality standards, latest product development, delivery schedule and others.

After more than two decades of our existence in the market, our company has attained a distinct position in the market because of the commitment to quality of products and customer-centric business approach. We have been constantly working hard to deliver the best products to all our clients, at the most competitive prices. We deal in products manufactured by TATA and Jindal that require no introduction – they are globally reputed companies. Customers planning to buy such products in bulk quantity may contact us for their specific demands. We will provide them with the best deals compared to the market.
