About Us

Guru Nanak Cement Jali Works was founded in 2006 with the goal of providing the greatest customer service possible. We have built a solid reputation as a reliable manufacturer and supplier throughout the course of these years. Our company is the most preferred destination for customers who want to make purchase for Modern Flower Design Terracotta Jali, Cement Railing Jali, Concrete Baluster Pillar, Weather Resistance FRP Jali, etc. All our products are durable, designed perfectly, weather resistant and is made available in customized options as well.

Mr. Gurvinder Gurvinder, our founder has led the organization to many accomplishments and has provided team with required guidance. We have consistently worked tirelessly and provided excellent products at reasonable prices. We are quite happy to report that every client we have worked with has left positive reviews. Their endorsement helps us stand out in the marketplace and gain clients trust.
