About Us

Tricolour International Eats Private Limited is a young and dynamic organisation into the business of food products. Based in Hyderabad, we are a reliable exporter, supplier and trader of optimum quality Wheat Flour, Corn Flour, California Almonds, Black Pepper, Black Pepper Powder and other types of spices, dry fruits, cooking oil and cereals. In contemporary times, when people all over the world live a stressful life because of job and modern day competition, eating healthy food is indispensable for maintaining personal health. Our business philosophy relies on our commitment to provide healthy and nutritious food to people across India and abroad.

We export our products to customers across the globe with the objective of providing them the finest quality Indian food and spices. We are a fast-emerging enterprise, aiming to establish ourselves as an export-oriented company. Having business associations with several reputed vendors, we seamlessly procure the products that we add in our range. The vendors process these food items in strict compliance with the quality standards laid down by regulatory body Food Safety and Standards Authority of India (FSSAI). In quick time, we have garnered the trust of a good number of clients, both in the domestic and international markets. National and international customers willing to buy our products in bulk quantity may send us their inquiries to get the best deals.
