About Us

We, Shree Krishna Electrical a manufacturer of various types of lighting solutions, take great care in all we do, from analyzing the most newest market trends to developing our products, doing quality checks, packing them, etc. We decided to join the market in the year 2015, in order to address the demand for lighting solutions as a manufacturer and supplier. Using the finest quality raw materials, we manufacture a unique product assortment which includes LED Recessed Ceiling Spot Light, Outdoor LED Street Light, Single Arm Decorative Pole, LED Ceiling Mount Panel Light, Post Top Bollard Light, LED Post Top Luminaires Light, and many more. Furthermore, after production is complete we ensure that each product is thoroughly evaluated and only then transported to the appropriate clients.

As the need for a wide range of lighting products has always increased, our company, Shree Krishna Electrical, began to provide its expertise in the field. Among the various products we have been offering to the customers are Modern Spot Light, Decorative Gate Light, LED Square Ceiling Light, Decorative Wall Light, LED Round Clipped Panel Light, Modern LED Tube Light, and many more. We produce our whole product range precisely in our facility which is located in the city of Indore, Madhya Pradesh, India. Nevertheless, we do make sure that every product we produce is checked for quality in accordance with the highest standards, and only then is it delivered to the required location of the clients.
