About Us

Incepted in 2012, Jha Jute Bag Enterprises is one of the leading jute bag manufacturers which specializes in creating high-quality and eco-friendly jute bags that are perfect for daily usage. With years of experience in the industry, we have honed our skills as a manufacturer and supplier of Designer Jute Shopping Bag, Eco Jute Bag, Coloured Jute Shopping Bag, Coloured Jute Bag and many other types of jute bags. These are stylish, durable, eco-friendly and possess excellent tear resistance. We understand that our customers have different needs and preferences, which is why we offer a wide range of jute bags that come in different sizes, shapes, colors and are suitable for various purposes. In addition to manufacturing these products, we also export 10% of our products to the international market of New Zealand.

At our core, we are passionate about sustainability and the environment. We recognize the need for eco-friendly products in the world of today, and we strive to make a positive impact through our jute bags. Our bags are made from natural and renewable resources that are biodegradable and compostable, making them an excellent alternative to traditional plastic bags. Furthermore, we place our best efforts to adhere to the international quality standards with the help of our quality control division. This division does thorough testing on manufactured goods, including physical, chemical, and ecological tests as well as tests on biological ingredients, jute composites, and other materials. We have made sure to outfit the division with sophisticated laboratories and cutting-edge testing apparatus to aid our quality officers in their procedure.
