

FIXED SPEED SCREW AIR COMPRESSOR

CUSTOMER'S FAITH WELL-KEPT FOR LIFETIME

3HP Cylinder Head Block, AD-100 CFM Refrigeration Air Dryer, AD-150 CFM Refrigeration Air Dryer, AD-20 CFM Refrigeration Air Dryer, AD-40 CFM Refrigeration Air Dryer, AD-60 CFM Refrigeration Air Dryer, AD-80 CFM Refrigeration Air Dryer, Air Receiver Tank, Booster Air Compressor, Cylinder Head Block, High Pressure Air Compressor, Industrial Air Compressor, Industrial High Pressure Air Compressor, Industrial Vacuum Pump, Mini Air Compressor, etc.

TWO STAGE AIR COMPRESSOR

HIGH PRESSURE AIR COMPRESSOR

MINI AIR COMPRESSOR

About Us

Dadashree Industries continually fine tunes its manufacturing and quality control policies to fabricate the most advanced line of Air Compressors and Air Compressor Parts. The company capitalizes on its scalable production setup to design a unique and innovative range of mechanical devices that can be used to power different varieties of pneumatic tools, machinery, and equipment at low cost. Over the years, as a manufacturer and supplier, the company has delivered products that assure numerous advantages to customers across different sectors.

One can find products of Dadashree brand being used in the manufacturing, construction, automotive, aerospace, healthcare, and many other industries. Its Oil Free Air Compressor, Industrial High Pressure Air Compressor, Multistage High Pressure Air Compressor, Fixed Speed Screw Air Compressor, etc., are used as highly convenient and cost-effective tools in these aforesaid sectors. Many customers and businesses choose products marketed by the company for boosting process efficiency and productivity. Not only do these tools and accessories allow factory workers to complete tasks with greater precision but also helps them execute a range of processes as per approved industry standards.

As we work to ensure enhanced safety in industrial settings with our range, we see to it that we follow the same safety and quality norms within our organization. Our workforce is provided with cutting-edge manufacturing, product testing and other equipment and tools that are high-tech, user friendly, and safe to use. As hiring the right manpower and training competent personnel can lead to significant cost savings in the long run for any business, we go miles looking for the right talent. Once we shortlist competent people to work as a part of our team, we give them proper training so that they remain abreast of latest trends in the air compressor manufacturing and supply industry. Our entire workforce comprising engineers, technocrats, quality inspectors, delivery and warehouse staff, researchers and administrative personnel works following the footprints of our mentor (CEO), Mr. Nayan Makasana.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	oil free compressors,rotary screw compressors,AIR DYER,air compressor,
No of Staff	11
Year of Establishment	2020
OEM Service Provided	No
ProductRange	oil free compressors,rotary screw compressors,AIR DYER,air compressor,

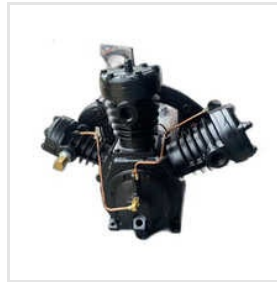

Our Products

Industrial Vacuum Pump

AD-20 CFM Refrigeration Air Dryer

Cylinder Head Block

Booster Air Compressor

AD-80 CFM Refrigeration Air Dryer

Air Receiver Tank

3HP Cylinder Head Block

AD-60 CFM Refrigeration Air Dryer

AD-100 CFM Refrigeration Air Dryer

Vertical Air Receiver Tank

AD-40 CFM Refrigeration Air Dryer

AD-150 CFM Refrigeration Air Dryer

Industrial Air Compressor

Industrial High Pressure Air

Multistage High Pressure Air

Screw Compressor
