About Us

Established in 2006, we, Swastick Sales Corporation, have found an edge in the Indian industry by producing the finest range of pipe fittings. With our head office in Howrah, West Bengal, we have been operating as a reliable manufacturer and supplier of GI Tee Structure Pipe, GI Elbow Outer Diameter, Pipe Elbow, GI Ground Bend and other products. These products are manufactured with the usage of premium raw materials including aluminium, galvanized iron, mild steel, brass, etc. Our products are essential to various industries, including oil and gas, construction, and manufacturing. To deliver products within the committed timeline across sectors, we rely on an effective distribution network that connects us to the various delivery points across the country.

We employ advanced technology and apparatuses at our state-of-the-art facility to guarantee precision, accuracy, and efficiency in our production operations. We have a team of talented engineers and designers working in this facility who constantly come up with new ideas and ways to make our goods better. Also, we take great pride in our superior customer service. We always make sure to solve client queries on time and provide buyers with effective support. We strive to go above and beyond their expectations since we value establishing lasting relationships with them.
