About Us

Our budding company, T Balaji Engineering Pvt. Ltd., holds a reputation for being one of the leading manufacturers and suppliers of quality-assured products in the country. Our offered range includes items like Street Light Housing Cover Castings, Flood Light Housing Cover Castings, Ball Light Bottom Cover Castings, Full K Light Housing Cover Castings, Module Electric Box Castings, and more. Used widely all over the country, the quality of our products is unlike that of any other in the market. All that we manufacture is done using premium-quality, tested raw materials. We procure these raw materials from the most trusted vendors in the industry. A special care is given to ensure that all the raw materials that we procure and the final product we sell are of the highest quality. For that, we pass each item through a series of quality assurance tests. This helps us ensure that their quality is on par with international standards.

Our 2019-established company, T Balaji Engineering Pvt. Ltd., is known to manufacture and supply products like Light Housing Cover Castings, Flood Light Housing Cover Castings, Ball Light Bottom Cover Castings, Full K Light Housing Cover Castings, Module Electric Box Castings, and more. Based out of Roorkee, Uttarakhand, India, we have been supplying our clients with quality products for years. We have remained true to our values and fulfilled all the commitments made to our clients. This has helped us strengthen our position in the market and grow exponentially in a short amount of time. We are well respected by our clients and vendors, and we strive to maintain that balance. Going forward, we aim to carry this forward and cater to the requirements of a larger audience.
