AQUA ZEOLITE

AQUA BKC SANITIZER

About Us

We, Aadi Shiv Fisheries And Fish, are one of the newly established companies in the market, catering to the varied requirements of a large clientele for aqua fish food, aqua supplements, and other related products. We are engaged as a trader and supplier, and our foremost responsibility is to do complete justice to our roles by offering high-quality products at competitive prices. The products we offer include Aqua Oxygen Tablets, Floating Fish Feed, Aqua Zeolites, Aqua Sanitizers, and more. All our products are rich in quality and absolutely worthy. Each and every product is a creation of our trusted vendors in the industry. The vendors manufacture the products using high-grade raw materials, and our team of professionals visits their production sites, periodically to oversee the production process and ensure that everything is taking place as per the industry norms. It is the hard work of our professionals and the support of our vendors that is currently driving our growth and will lead the path to success in the near future as well.

Recently established Gorakhpur (Uttar Pradesh, India) based trading firm Aadi Shiv Fisheries And Feed is here to create a ripple in the market. We deal in an extensive range of aqua fish food, aqua supplements, and other products. Our product range comprises Aqua Sanitizers, Aqua Zeolites, Floating Fish Food, Aqua Oxygen Tablets, and more. Every product that we offer is procured from the most reputed vendors in the market. Our proficient professionals choose the vendors to deal with. Further, our quality specialists make it a point to conduct product testing both before and after the procurement process. The products that have longer shelf lives, are safe for marine life, and are hygienically prepared are packed using the appropriate packaging materials for their dispatch into the market for customer purchase.
