## About Us

Metafit Piping Industries is a leading manufacturer, supplier, and exporter of pipe products in the country. Our offered range of items includes Elbow Pipe Fitting, Tee Pipe Fitting, Buttweld Concentric Reducer, Buttweld Eccentric Reducer, Forged Elbow Fitting, Slip On Flanges, and more. We are well experienced and quite knowledgeable in the manufacturing of these products. Made from the best quality raw materials, which are procured from the most trusted vendors in the industry, these products are highly durable, have a corrosion-resistant surface, and are available for our clients at competitive market prices. We are well equipped with the necessary knowledge to serve the international community. We aim to become the leading manufacturer of these items. We have served many customers from all across the world and ensured their total satisfaction through our product range. Moreover, playing our part as a responsible citizen of the planet, we follow sustainable approaches and use environmentally friendly products and procedures.

We, Metafit Piping Industries, have built a good reputation for ourselves in the market within a short period of time. Our company was established in the year 2022 in Mumbai, Maharashtra, India. We are named among the most trusted manufacturers, suppliers, and exporters of industry used products like Weld Neck Flanges, Threaded Flanges, Studding Outlet Flanges, Threaded Hammer Union, Nickel Alloy Hammer Union, AISI Seamless Pipe, and more. We have made a name for ourselves in the industry by supplying our clients with high quality products.
