

TDI-TOLUENE DIISOCYANATE

A promise to offer products with higher **quality standards.**

2-Ethyhexyl Acrylate Solution, 25kg Bisphenol A Powder, 80 % Hydrazine Hydrate, 96-33-3 Methyl Acrylate, 99.7 Percent PCT Glycerine Solution, Acetonitrile Solution, Acylic Acid, Butyl Acrylate Monomer Solution, Cyclohexanone Solution, Diethylenetriamine (Deta) Solution, Ethyl Acrylate Solution, Hydrazine Hydrate 80PCT Solution, Industrial Adipic Acid, Industrial Methylene Diphenyl Diisocyanate, Meleic Anhydride Solution, etc.

ACYLIC ACID

INDUSTRIAL ADIPIC ACID

25KG BISPHENOL A POWDER

About Us

As the market of chemicals is always expanding, our company, Trishla Chem Llp, has stepped forward to offer our expertise in the field. Since the formation of our company in the year 2022, we have provided a vast array of chemical products as a supplier and trader. Products like Bisphenol A Powder, Melamine Powder, Methylene Diphenyl Diisocyanate, Adipic Acid, etc. are available to customers from us. We are connected to some of the most trusted and trustworthy vendors of the industry, from whom we get the best chemical products. However, we make sure that all procured batches are tested in conformance with the highest quality standards. Additionally, we keep a track on our competitors so that prices of our chemicals can be kept significantly reasonable than theirs.

Despite having to overcome several challenges on the route to success, our company, Trishla Chem Llp, has finally backed a strong position in the chemical industry. Our continuing success is a result of our steadfast dedication to provide the customers the best products while also conducting ourselves ethically while dealing with them. Our clients may choose from a variety of high-quality products, including Tetraethylenepentamine TEPA, Hydrazine Hydrate, Methyl Acrylate, etc., all of which meet their expectations. The customers also appreciate our products because we keep their pricing as reasonable as possible. We have our facility situated in the city of Palghar, Maharashtra, India, from where we swiftly and safely transfer our goods to the selected locations of customers.

Key Facts

No of Staff	3
Year of Establishment	2022
OEM Service Provided	No

Our Products

TDI-Diisocyanate Solution

Triethylene Tetramine Solution

Cyclohexanone Solution

2-Ethyhexyl Acrylate Solution

99.7 Percent PCT Glycerine Solution

Acetonitrile Solution

Butyl Acrylate Monomer Solution

Meleic Anhydride Solution

Hydrazine Hydrate 80PCT Solution

Diethylenetriamine (Deta) Solution

Ethyl Acrylate Solution

80 % Hydrazine Hydrate

White Melamine Powder

96-33-3 Methyl Acrylate

Industrial Methylene Diphenyl Diisocyanate

Tetraethylenepentam... TEPA Liquid
