About Us

Tech Fab Industries was established with the aim of serving customers with quality products. We are among the top manufacturer and supplier of Ladder Horizontal Bend, Gi Cable Raceway, 3 Meter Cable Trunking, Cable Tray Reducer and a lot more products. Our range in high demand because of their excellent quality and affordable prices. Thanks to Raj Naggarr (our partner) advice, we were able to build a solid reputation in the industry. Customers can rely on us to get value for money as we are able to offer the same within a stipulated time frame.

Our team is viewed as a crucial element of our company that enables us to dominate the industry. To hire some of the most highly trained, experienced, and knowledgeable individuals in the industry, we have devised stringent hiring procedures. These people are very good at clearly grasping the clients requirements and fulfilling them within a given time frame. Our staff members locate the required products and promptly deliver them to the clients. We set up crucial training sessions and workshops to keep our professionals current on market trends. Our team consists of Procurement agents, Warehousing & packaging personnel, Quality inspectors, Sales & marketing executives, Administrative staff, etc.
