About Us

Succeeding as an electronic machinery trading company, we, Sun Tech Services, have acquired a strong understanding of the market, including current trends and new technologies. Established in 2021, we have already been recognized as a promising supplier, importer and service provider of a wide range of products such as Industrial Touch Screens Panel, Membrane Keyboard, Touch Membrane Keypad, Human Machine Interface and other products. Our team is dedicated to providing products that not only meet the needs of our customers but also add value to the equipment investment by lowering costs. They also assist us in rendering Installation and Repairing Services of the range as a qualified service provider.

We are proud of our dedication to quality and customer satisfaction. We have good relationships with our vendors and customers, which helps us offer a versatile range of electronic machinery parts and equipment at highly competitive prices. We collaborate closely with our clients to fully understand their requirements and provide products and services that exceed their expectations. Our efficient and dependable supply chain ensures that products arrive on time and as per budget.
