About Us

Kalliyath Developers Private Limited was established in 1929 and has etched its name in history for fabricating a wide variety of construction and building materials. Armed with a huge experience, we have earned our name as an eminent manufacturer of various construction materials such as binding wire, cover block, TMT bars and TMT rebar. Our commitment towards excellence was evident through our introduction of automation & other practices that set the bar high for the industry. Throughout our journey, we have been continuing our operation with a passion for creating the best product and has been consistent in reinventing ourselves. and this has remained unwavering. We have collaborated with stakeholders who shared their zeal for excellence, and we aspire to spread this passion to every player in the industry, including architects, contractors, engineers, masons, & homeowners.

We are the first TMT steel bar manufacturing company in Kerala, also first to get BIS certification. Stepping up the current annual production of 2 lakhs metric tonnes, we offer a wide range of high-quality products such as Kalliyath Binding Wire, Stainless Steel Binding Wire, Cement Cover Block, RCC Cover Block, Round TMT Bar, Stainless Steel TMT Rebar, & more. Our products are widely acclaimed for their strength & durability that will last for centuries.
