## About Us

Established in 1995, Dynasty Plastics Pvt. Ltd. is a leading manufacturer and exporter of plastic houseware products from India. Our mission is to provide innovative solutions that enhance everyday living while minimizing the environmental impact. Dynasty Plastics is a government recognized export house with a presence in over 40 countries worldwide.

Our current offering of over 300 different products are designed to meet the needs of modern households. Emphasizing quality, durability and safety, we use the highest quality of BPA-free, graded raw materials, ensuring that our products are safe for everyday use. Our range includes a large family of food-safe containers, bowls, jugs, tumblers, mugs, vegetable and dish racks, storage & shopping baskets, organizers, buckets, basins, stools, bins, shoe racks and a hospital kit. New products are added to our range every year.

Dynasty Plastics has a strong global presence, exporting our products to more than 40 countries. We have established long-standing partnerships with international clients by consistently delivering reliable and innovative plastic houseware solutions. Our commitment to customer satisfaction, timely deliveries, and competitive pricing has earned us a solid reputation in the global market. As proponents of the Make in India campaign, we proudly contribute to the growth of Indian manufacturing capabilities. Our state of the art production facilities equipped with modern machinery and automation technology enables us to produce high quality products. By making in India, we support local employment opportunities and foster economic development in the region.
