

# INDUSTRIAL FASTENERS

A Well Trusted and Reliable Business Partner

2 Slotted Hole Brackets, Back to Back Slotted Channel, Base Plate Weld Bracket, Bolt Close Conduit Clamp, Bullet Fastener, Cantilever Brackets, Electrical Beam Clamps, Electro Galvanized Finish Angle Bracket, Fixing Brackets, Half Slotted Channels, Hollow Bolt, Industrial Spring Washer, Lock Nut, Long Slotted Channels, MS Beam C Clamp, etc.

**HALF SLOTTED CHANNELS**

**LONG SLOTTED CHANNELS**

**PUNCHED SLOTTED CHANNEL**

## About Us

Innotech Support Solutions strives to provide superior structural support solutions that bring longevity and effectiveness to infrastructural and mechanical endeavors. As a manufacturer and supplier, we provide an assortment of products that cater to various needs of various industries such as punched slotted channel, pre-galvanized slotted channel, long slotted channels, mild steel 90 degree bracket, mild steel corner bracket, support brackets, fixing brackets, and electrical beam clamps. Our precision-engineered solutions provide easy installation, excellent load-carrying capacity, and flexibility to accept many support systems.

Identifying the importance of quality materials in mega-sized infrastructure construction, we have developed products that provide excellent corrosion resistance, structural integrity, and cost-effective options for custom fabrication. Supporting full-inventory deployment, we are capable of deploying on short notice to projects of all sizes. All our production processes adhere to green practices, allowing us to provide high-quality products with no environmental footprint.

## Our Products

**Base Plate Weld Bracket**

**Back To Back Slotted Channel**

**Pre-Galvanized Slotted Channel**

**Mild Steel 90 Degree Bracket**

**Mild Steel Angle Bracket**

**Electro Galvanized Finish Angle Bracket**

**Mild Steel Spring Nut**

**Mild Steel Corner Bracket**

**Mild Steel 90 Degree Bracket**

**Mild Steel U Bracket**

**Mild Steel Channel Bracket**

**Twin Lever Wire Rope Suspension System**

**Fixing Brackets**

**2 Slotted Hole Brackets**

**Cantilever Brackets**

**Support Brackets**
