

# EPR CABLES

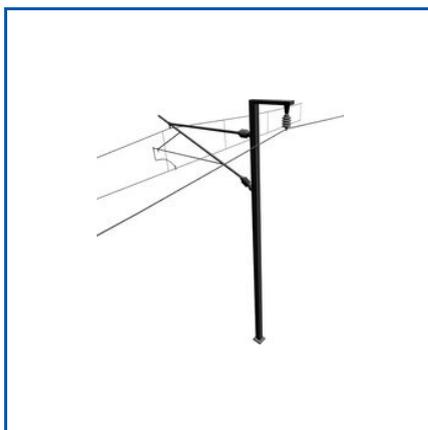

*Quality Of Our Products, Speaks On Our Behalf*

Aircraft Single Core, Durable Welding Cables, Elastomeric Rubber Cables, High Grade EPR Cables, High Quality CSP Cables, High Quality Earthing Braid Cables, High Quality NBR-PVC Cables, High Quality PCP Cables, High Quality Trailing Cables, Industrial Battery Cables, Industrial High Mast Cables, Railway Power Elastomeric Cables, Ship Wiring Insulated Cables, Silicon insulated cables, Special Purpose Flexibility Cables, etc.

**HIGH GRADE EPR CABLES**

**RAILWAY POWER ELASTOMERIC CABLES**

**HIGH QUALITY CSP CABLES**

## About Us

IMT Cables Pvt. Ltd. is a reputed manufacturer and exporter of Silicon Cables, Mining Cables, Ship Wiring Cables, Aircraft Cables and a lot more products. We are working under the flagship of RAS Group that is epitome of professionalism, quality, and honesty. The company's directors come from a family of business people who have been in this industry for more than 50 years, giving them extensive knowledge of the production of cables. Under the guidance of our mentors, we have emerged as a reliable name which customers trust to make purchases for Silicon Cables, Mining Cables, Ship Wiring Cables, Aircraft Cables and more. We are able to manufacture cables in accordance with customer requirements and several international standards, including ASTM, VDE, IEC DIN, British Standard, and others.

Our plant has a well-defined manufacturing line with contemporary machinery and an advanced control system to guarantee excellent precision and quality. We also have a fully furnished lab run by knowledgeable, skilled personnel, along with the newest testing equipment. The ISI quality mark on our products itself speaks about their quality.
