About Us

Understanding the dire requirements for high-quality Air conditioning system, Air ventilation system and its Allied products in the industry, we, Cooling Care Corporation was founded in 2013 with a mission to cater to the clients across India with top-notch products. We are popularly known for our premium-quality products such as Blue Star Duct AC, One Way Cassette AC, Toshiba VRF System, Daikin Inverter AC, Ventilation System, and many others. In addition, we also offer Air Conditioner Maintenance Services, and Ductable AC Installation Services. We cater to many companies wholesalers and retailers at a very competitive price range. Moreover, we have earned a distinguished name in the market as a reliable supplier for quality products, excellent customer services and ethical business practices.

With the support of our staff, we have accomplished some good projects with Varuna Integrated Logistics in Punjab, Dharuheda, Gurugram, DPS Rohini, and Amway India Gurugram Office. Due to this, we have garnered a huge client base across India with many small and medium enterprises sort of clients. Our goal is to attain total customer satisfaction so that we can harbour the long-term business relationship with them. Therefore, all our endeavours is directed towards attaining our primary objectives like satisfying our clients. Under the direction and leadership of Mr. Gopal Das, we have been able to earn the trust and loyalty of a large clientele over the years. Our devotion to handing out quality solutions with fairness and transparency enables us to gain total customer satisfaction.
