Dryer

Refrigerated Air  
Dryer - 40 CFM

100 CFM Refrigerated Air Dryer, 20 CFM Refrigerated Air Dryer, 40 CFM Refrigerated Air Dryer, 60 CFM Refrigerated Air Dryer, Air Filter, Air Receiver, Auto Drain Valve, Desiccant Air Dryer, Refrigerated Air Dryer, etc.

AUTO DRAIN VALVE

DESICCANT AIR DRYER

40 CFM REFRIGERATED AIR DRYER

## About Us

Technotrend Innovations Pvt Ltd, established in 2022, is a well-known manufacturer, supplier, & trader of a wide range of industrial products such as Auto Drain Valve, Desiccant Air Dryer, Air Receiver, Air Filter, & more. Our products are manufactured in adherence with prevailing quality standards, using high-grade raw materials, and advanced machines, & sophisticated technologies. They are widely preferred by our esteemed clients for their minimum maintenance and long life. These products find applications in mechanical, textile, automobile, engineering, pharmaceuticals, hospitals, refineries, petrochemicals, & many other industries.

Our trained and experienced team members help us meet our organizational targets. Our well-equipped research unit develops innovative methodologies to manufacture each product in accordance with prevailing market advancements. Furthermore, our warehouse staff takes proper care of each stored product and ensures the entire range is safeguarded from damage and mishandling. Under the guidance of our Director, Mr. Vinayak Sakhare, we have successfully carved a remarkable position in the market. His business strategies and managerial skills have enabled us to meet our organizational goals.
