About Us

Parth Technologies is a reliable manufacturer, supplier, and exporter of more than 3 years in providing advanced metal detection and scanning solutions. We are renowned for our dedication to quality, innovation, and customer satisfaction and have established a robust presence across various industries such as food processing, pharmaceuticals, packaging, security, and beyond.

We are experts in a vast array of products including Metal Detector, Gravity Feed Metal Detector, Conveyor Metal Detector, Soap Metal Detector, Baggage Scanner For Hotel, and more. All products are carefully crafted with precision engineering and manufactured to international quality standards. Our machines guarantee accurate detection, superior sensitivity, and consistent performance, assisting businesses in enhancing safety and compliance. At Parth Technologies, we pair technical know-how with customer-focused service. Our experienced staff collaborates with clients to deliver customized solutions, on-time delivery, and continuing assistance. For industrial quality control or security screening, you can trust us to be your reliable partner in sophisticated detection technology.
