## About Us

Bhawani Enterprises is a renowned entity in the Indian human hair market catering since 1996. The company collects the raw human hair from authentic sources like temples, shrines and makes them commercially viable. The company is a leading manufacturer and exporter of Natural Indian Human Hair such as double drawn and single drawn hair, natural hair, wavy hair, colored hair, etc. Being an export oriented unit, we have made our mark on the global markets, exporting human hair to several countries worldwide.

Committed to discovering and developing the future of hair extension beauty, Bhawani Enterprises employs the unique manufacturing model. At the company, innovation and creativity have always been encouraged by a constant interaction between production and marketing teams. It is established on the precise knowledge of hair around the world, but is also based on regular interaction and attentive listening to clients. A promise and assurance of reliability to clients, respect for ethical compliance, the company has based its growth and success in the market places, implementing strategy related to conforming to the professional fundamental values, shared by all its teams.
