About Us

Incorporated in the year 2004, we, DR OPTICAL DISC INDIA PVT. LTD., are one of the trusted Manufacturers, Importers, Exporters, Wholesalers/Distributors, Suppliers and Traders of a wide series of Flatbed Screen Printer, Automatic Screen Printing Machine, Semi-automatic Screen Printing Machine, Disposable Syringe Screen Printing Machine, Clamshell Screen Printing Machine, and many more. These machines are largely used across various sectors because of their matchless features like high performance, durability, energy efficiency, operator friendly, longer working life and affordable prices. The raw materials/components utilized in the manufacturing procedure are obtained from authentic sellers of the market. In addition, we make sure that machines are developed in strict compliance with the norms and guidelines set by the national as well as international industry. Being a renowned Provider in the industry, we also offer exceptional Installation and Repairing Services at cost-effective prices.

Located in the New Delhi (Delhi, India), we, DR Optical Disc India Pvt. Ltd., are one of the leading and reliable names, engaged in offering a wide assortment of Printing Equipment, Consumables and Services. As an ISO 9001:2008 certified company, quality is our forte and we always try to maintain it throughout our business activities. Consequently, we have an ultra-modern quality control unit, wherein all the manufactured products are strictly checked and tested before final delivery. Further, due care is also taken with the technical details given by the clients while developing customized machines. Moreover, we promise that all the orders/consignments are completed as well as undamaged delivered to clients place without any delays.
