## About Us

In the modern competitive business environment, companies who keep themselves abreast with latest technology, quickly adapt innovative practices and invest substantially in expanding their knowledge base, are the ones who are able to survive and grow consistently. Established in 1971, Gasket Industries are a leading manufacturer, supplier and exporter of an assortment of Gaskets which find applications across a wide spectrum of industries. Our wide range of industrial gaskets includes PTFE (Poly Tetra Fluoro Ethylene) Sheet Gaskets, Expanded PTFE (Poly Tetra Fluoro Ethylene) Gaskets, Ring Joint Gaskets, Metal Jacketed Gaskets, Spiral Wound Metallic Gaskets, Graphoil Ring Gaskets, Industrial Cut Gaskets, Compressed Non Asbestos Jointing etc. Gasket Industries exports its gaskets to markets such as Gulf, Far East, Africa and also to some major industry houses in India. These gaskets are made up of premium grade raw material sourced from reliable vendors. All of the products are sturdy, long lasting and can withstand the toughest of conditions.

Gasket Industries was established by a well educated youth (Late) Mr. Gopal Kapila who had a thorough expertise and deep knowledge in this technical field. Due to his visionary leadership and brilliant guidance, the company has grown substantially since its inception. Today the company has been manufacturing and exporting all types of industrial gaskets in sizes ranging from 5mm dia to 5000mm dia. The company also made a mark when it provided gaskets for very critical conditions to the Government Departments. As an ISO 9001:2015 certified company, the company's prime objective is to offer qualitative products in minimum time frame and to achieve maximum customer satisfaction. Gasket Industries welcomes regular feedback and suggestions from its esteemed clients, in order to improve upon its products and processes.

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>Primary Competitive Advantages</b>	brass shims,o rings,Ring joint RTJ gasket,camprofile,ptfe envelope gasket,expanded ptfe gasket sheet,gland packing seal,gland packings,jacketed gaskets,viton gaskets
<b>No of Staff</b>	10
<b>Year of Establishment</b>	1971
<b>OEM Service Provided</b>	No
<b>ProductRange</b>	brass shims,o rings,Ring joint RTJ gasket,camprofile,ptfe envelope gasket,expanded ptfe gasket sheet,gland packing seal,gland packings,jacketed gaskets,viton gaskets
