## About Us

In 2020, Mr. Shubham Yadav has founded a company known as Bhagirathi Steel Infra which is dealing in superior quality Mild Steel Round Pipes, Mild Steel Tubes, Mild Steel Square Pipes and Galvanized Tubes. In a short span of time, the company has achieved a noted position in the market as a manufacturer, trader and supplier. With extreme hard work and dedication, we are operating our business and achieving all the targets within the set time frame. We have a team of proficient employees who help us in producing top-notch products as well as in running the business smoothly.

The professionals working with us are sincere and honest towards their jobs which can be seen in the quality of their work. Whatever task we assign to our teammates, they complete the same within the committed time duration and in the best possible manner. The professionals of our team also ensure that the available resources like machines and tools are properly utilized and do not get wasted. While manufacturing the goods, we also take care of our environment by using eco-friendly methods of production.
