

OVERHEAD LINE CONNECTORS

TRANSMISSION & SUBSTATION
ACCESSORIES

CERTIFICATIONS

We, J M Electrical Works, based at Shahdara, Delhi, have a rich business history spanning more than 3 decades. In business since 1980, we have been excelling as a distinguished manufacturer and exporter of HT & LT Overheadline Substation Distribution Clamps & Connectors. Robustly designed at our in-house factory, these products deliver excellent performance and enjoy extensive demand across both domestic and international markets. We have a qualified crew of engineers and skilled designers who fabricate products as per client demand and ensure ready product delivery at all times, worldwide.

Our company is world over recognized as the leading manufacturer, exporter, supplier, trader, and stockist of different types of Clamps and Connectors. These products are widely used in various industrial applications. We provide the product in almost every standard shape, size, design and finish for total customer satisfaction. It helps us in retaining wide customer base across the globe.

Being a quality oriented organization; we give paramount importance to the quality of products. We believe, quality is the main factor that satisfies customers and achieves success to any company. Thus, we use high grade of raw material. In addition, our team of expert quality analysts conducts stringent testing for each and every product. Our company is backed by robust infrastructure, which comprises all modern machines and equipments. These machines are operated by highly qualified and experienced technical experts, who possess in-depth knowledge and vast experience of the industry. Our warehouse is well equipped with all sophisticated machines and equipments like material handling equipments, trolleys, etc. for loading and unloading of products. To make sure the delivery of flawless products, regular inspection is done by experienced quality analysts.

ABOUT US

OUR PRODUCTS DESCRIPTION

CONDUCTOR ACCESSORIES

- Mid Span Joints
- Repair Sleeves
- T Connectors
- Preformed Armour Rods
- Spacers
- Spacer Dampers
- Vibration Dampers
- Parallel Groove Clamps
- Line & Tap connectors (Bolted/Compression Type)

EARTH WIRE ACCESSORIES

- Tension Assembly
- Suspension Assembly
- Mid Span Joints
- Repair Sleeves
- Vibration Dampers
- Parallel Groove Clamps

INSULATOR HARDWARE

- Single Suspension Strings for Single, Twin, Triple & Quad Conductors
- Double Suspension Strings for Single, Twin, Triple & Quad Conductors
- V Suspension Strings for Single, Twin, Quad & Multi Bundle Conductors
- Single Tension Strings for Single & Twin Conductors
- Double Tension String for Single, Twin, Triple & Quad Conductors
- Triple Tension String for Twin & Triple Conductors
- Quad Tension Strings for Quad & Multi Bundle Conductors

SUB STATION CLAMPS & CONNECTORS

- T Connector, Terminal Connectors
- Bus Post Clamps
- Straight Connectors
- Pad Clamps
- Stud Clamps
- Bus Support Couplers both Rigid & Flexible
