About Us

Plasti Surge Industries Pvt. Ltd. is the leading medical disposable products manufacturer in India. We started in 1989 and since then have been passionately working and attaining growth by supplying highly innovative and cost-effective healthcare products and equipment. We entered the medical disposables industry when India was still unfamiliar with the term. We offer high quality medical supplies such as Plastic Gloves, Veterinary Gloves, Ankle Length Shoe Cover, Kids Face Mask, Pediatric Splint, Bio Medical Waste Collection Bags, Blood Spill Kit, Disposable Green Apron, HIV Aids Kit, etc.

With over thirty years of significant expertise in this field, our company is now regarded as one of the leading manufacturers, suppliers, and exporters of medical disposables. Healthcare kits and disposable medical products, both conventional and customized are our areas of expertise in India. Our products have reached the market thanks to dependable manufacturing processes and tight adherence to the highest quality and standards, and excellent business partners. Since then, PSI has become well-known and reputable among dealers, distributors, hospitals, government agencies, and other business partners thanks to our aggressive marketing campaigns.
