About Us

Shree Gajanan Spm India Private Limited is dedicated to establishing new standards in industrial-grade noise control and enclosure solutions. Being a well-reputed name in the business nature of manufacturer and supplier, the firm designs and delivers performance-oriented products like blower acoustic enclosure, low noise acoustic enclosures, electric acoustic enclosures, ETP and STP soundproof enclosure, EOT crane operator cabin, MS crane AC cabin, noise barrier acoustic test chamber, shielded anechoic chamber, MS horn testing chamber, temperature controlled chamber, and mild steel acoustic silencers. Every product is carefully crafted to suppress operational noise, regulate temperature effectively, and enhance the working environment, especially in heavy-duty industrial applications.

The signature is tailor-made solutions that cater to the most demanding applications across industries. Constructed with superior-grade mild steel and advanced acoustic insulation, the products ensure longevity, resistance, and high-quality performance. A thorough understanding of day-to-day issues has driven the development of noise control and operator protection technology that can withstand harsh environments, be easily integrated into existing infrastructure, and fulfill demanding industrial standards. Every product is a culmination of continuous R&D, evolving with industry needs but not compromising on quality, safety, and performance. Whether it's the creation of soundproof test spaces or the presentation of operator comfort in extreme conditions, every enclosure and cabin is engineered to perform with steadfast consistency.

Key Facts

No of Staff	10
Year of Establishment	2021
OEM Service Provided	No

Our Products

EOT Crane Operated Cabin

MS EOT Crane Operated Cabin

EOT Crane Operator Cabin

MS Crane AC Cabin

Ultrasonic Sensor Testing Enclosures

Power Press Enclosure

Acoustic Testing Enclosure

Crane Operator Cabin

Industrial Crane Operator Cabin

Blower Acoustic Enclosure

ETP And STP Soundproof Enclosure

Blower Acoustic Enclosure

Modular Sound Proof Enclosure

Low Noise Acoustic Enclosures

Sound Proof Acoustic Enclosures

Industrial MS Acoustic Enclosures
