## About Us

SYD Products is a herbal extraction company which uses innovative herbal extraction methods. We have our own infrastructure unit in Ahmedabad which is 50 mins far from Ahmedabad international airport. The infrastructure of our company is spread across 48,000 sq. ft. area which is managed by the best of employees who hold great experience in the field. SYD Products was founded in 2022 but our research & development activities started in 2020. In these two years, we have produced unmatched quality 100% Natural Bitterness Masking Agent, Synthetic & Natural Matt Caff and Stevia with Natural Bitterness Masking Agent. All these products are extracted and further processed in our modern production unit under controlled temperature. We have a team of experienced professionals who look after all the jobs related to production, R&D, quality examination, packaging, etc.

SYD Products is working as a herbal extraction company which is processing Stevia with Natural Bitterness Masking Agent, 100% Natural Bitterness Masking Agent and Synthetic & Natural Matt Caff. These herbal products are widely used for making food, tea, pharma and nutraceutical products. The operational base of the company is located in Ahmedabad, Gujarat (India) which connects us with the major cities and towns of the country. As an emerging corporation, we put all our efforts in the direction to run the business in a smooth & profitable manner. We have a team of experienced and knowledgeable professionals who perform their jobs sincerely with an ultimate objective to take the company into the heights of success.
