About Us

Established in 2022, Magna Mater Eco Products Pvt. Ltd. has quickly emerged as a trusted manufacturer and supplier of cutting-edge, eco-friendly products derived from corn starch. With a strong focus on sustainability and innovation, we specialize in a wide range of compostable and biodegradable solutions, including Biodegradable Polymer Granules, Pizza Plastic Stand, Packaging Pouch, Biodegradable Compostable Water Soluble Films, etc. Each of our products is carefully designed to combine functionality, strength, and environmental responsibility, making them highly appreciated by clients across industries.

We believe that technology and sustainability can go hand in hand. Our continuous investment in innovative manufacturing processes and our unwavering commitment to keeping the planet greener have established us as one of the most reliable names in the compostable products segment. By offering safe, non-toxic, and eco-friendly alternatives to plastic, we empower individuals and businesses to make responsible choices. Our vision is to promote a lifestyle that reduces carbon footprints, fosters sustainability, and ensures a cleaner, safer future for generations to come.
