About Us

At our company, Dhruv Electronics, we manufacture Ferrite Magnets and Hand Magnets. We are dedicated to the production of high-quality products for numerous industries. We use the latest technology and tight quality control techniques in ensuring the highest quality. Our Ferrite Magnets are durable while very efficient and suit a wide range of applications such as use in electronics and automotive parts. Our Hand Magnets are ergonomically designed for easy use in metal processing and scrap collection, making processes easier for businesses. Further, as a reliable manufacturer, we take pride in our customer-oriented attitude by consistently providing timely delivery and excellent services to our customers within the country and abroad.

Our company, Dhruv Electronics, is based at Chhatral, Gujarat, India. We have earned prominence as the premier manufacturer of BLDC Fan Ferrite Magnet, Magnet Slab, Speaker Ring Magnet, Hand Magnet, etc., since 2005. Innovation and excellence in all tasks force us to use only the best manufacturing techniques and materials. It is a customer-centric approach where we work towards creating long-term relationships with clients by offering customized solutions and top-class service. Our strict adherence to quality and reliability has ensured that we became one of the prime players in the market.
