About Us

We, at Naysha Chemical Industries, have a lengthy history of providing a top-notch range of chemicals utilized in many different key industries. Since we began doing business in the year 2020, we have developed into a recognized manufacturer and supplier of a distinctive range of chemical goods. We provide Pigment Red Violet 31 Powder, Pigment Blue 15-0 Powder, Pigment Green 7 Powder, Orange 13 Pigment Powder, Red Violet 31 Pigment Powder, Alfa Blue Pigment Powder, and many more highly effective products. Upon the completion of the production process, we make sure that all products are checked to meet the highest quality requirements. Additionally, a variety of specialized industries such as paints, printing inks, plastics, textiles, rubber, and others frequently use our products.

In our company, Naysha Chemical Industries, we are always monitoring the rising demand for various chemical-based products. We have been able to meet the demands for chemicals with our exclusive assortment which includes Yellow 12 Pigment Powder, Pigment Orange 13 Powder, Red 8 Pigment Powder, Pigment Red 8-F4R Powder, Pigment Yellow 12 Powder, Pigment Blue 15-3 Powder, and many more. At our facility which is situated in the city of Ahmedabad, Gujarat, India, every batch is prepared in a safe and regularly cleaned environment. We make sure that every manufactured batch is thoroughly tested before being delivered to the customers. All in all, our highly effective product line has enabled us to significantly expand our company in the chemical industry.
