About Us

Vabek Aqua Technology is a preeminent manufacturer, supplier, trader, and service provider in the field of water treatment solutions. The products we offer comprise Mixed Red Plants, Ozone Test Kits, Electronic Water Softener Plants, Stainless Steel RO Plants, and more. With a dedication to delivering the best to our customers and a commitment to business excellence, we specialize in offering only premium-quality products and reliable services and nothing less than that to cater to the varied requirements of our valued customers residing across diverse locations.

We offer cutting-edge, innovative, and reliable solutions to our customers. Each and every product is designed perfectly to ensure the highest standards of water treatment and purification. We take pride in our well-engineered manufacturing unit, which is equipped with high-tech machinery and equipment and is manned by extremely talented personnel. Moreover, it is our relentless focus on quality control that guarantees a product range that meets the highest standards of reliability and quality.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	coconut shell activated carbon,organic waste composter,mixed bed resin,mixed bed unit,micron filters,uv disinfection systems,activated carbon filters,sand filter vessel,multigrade sand filter,industrial reverse osmosis plant
No of Staff	10
Year of Establishment	2021
OEM Service Provided	No
ProductRange	coconut shell activated carbon,organic waste composter,mixed bed resin,mixed bed unit,micron filters,uv disinfection systems,activated carbon filters,sand filter vessel,multigrade sand filter,industrial reverse osmosis plant

Our Products

Industrial Water Treatment Plant

RO Water Purifier Repairing Services

Swimming Pool Filtration Plant

Effluent Wastewater Treatment Plant

DM Water Plant

500 LPH Mix Bed Plant

Small Battery Water Plant

10000 LPH Stainless Steel RO Plant

Mini Distilled Battery Water Plant

1000 LPH DM Water Plant

Electrical Water Ozonizer

Electronic Water Softener Plant

Organic Waste Composter Machine

2000 LPH Pharmaceutical Water

6000 LPH Stainless Steel RO Plant

1000 LPH Mixed Bed Plant
