About Us

Ipower Batteries Private Limited is a high-performance energy solutions provider that is designed to fuel industry, infrastructure, and mobility. As a company with a reputation for being powerful in the energy industry, the company is a manufacturer, supplier, and importer of quality power backup systems that are changing the game in terms of efficiency, durability, and sustainability. Every product, ranging from lead acid SMF battery and data centre battery pack to two wheeler batteries and lithium ion battery, has been specifically created to meet dependable discharge, quick charging, and maintenance-free performance even under the most extreme operating situations. Ipower Batteries offers solutions for today's power needs with efficient, compact space-saving designs that perfectly blend with industrial and consumer applications with an emphasis on dependability, safety, and green innovation.

In pursuit of innovation, all the processes are led by it. In precision manufacturing, all battery solutions have the mission of making a greener and smarter future. Legacy quality answers future energy needs with power systems that not only endure pressure but also last longer and improve. For serving massive data infrastructure or powering clean transport, Ipower Batteries is convinced about technology that empowers progress.

Key Facts

No of Staff	100
Year of Establishment	1992
OEM Service Provided	No

Our Products

**Rugpro-6032 2
Wheeler Battery**

**LFP 60V30AH 2 Wheeler
Battery**

**Li-Ion 60V26AH 2
Wheeler Battery**

**48V24AH 2 Wheeler
Battery**

**Li-Ion 60V30AH 2
Wheeler Battery**

**Li-Ion 60V24AH 2
Wheeler Battery**

**Li-Ion 60V42AH 2
Wheeler Battery**

**LFP 48V42AH 2 Wheeler
Battery**

**Li-Ion 48V42AH 2
Wheeler Battery**

**Li-Ion 60V50AH 2
Wheeler Battery**

**LFP 72V30AH 2 Wheeler
Battery**

**Li-Ion 48V30AH 2
Wheeler Battery**

**Li-Ion 72V40AH 2
Wheeler Battery**

**48V27AH 2 Wheeler
Battery**

**Li-Ion 72V30AH 2
Wheeler Battery**

**LFP 48V30AH 2 Wheeler
Battery**

ADDRESS

**Plot No. 82, Sersa, Sector 53,
Phase - 5, Industrial Estate,
Kundli, Sonipat, Haryana, India
(131028).**
