About Us

Established in 1993, Ramco Industries is a trusted name in the field of flexible packaging solutions. Headquartered in Nagpur, Maharashtra, India, we are a leading manufacturer, exporter, and supplier of high-quality packaging materials. Our wide product range includes BOPP Film, Heat Shrink Cap Seal, Heat Shrink Film, Lamination Film and PVC Shrink Sleeve. With over three decades of experience, we have earned a reputation for innovation, reliability, and excellence across domestic and international markets.

Our vision is to become a globally recognized leader in the packaging sector by delivering superior quality and sustainable solutions. Guided by our core values – integrity, consistency, and innovation – we aim to enhance the performance and appearance of our clients products. By adopting advanced technology and maintaining a strong focus on customer satisfaction, we continue to set new benchmarks in the flexible packaging industry. Quality is at the heart of every process. Our advanced manufacturing facility in Nagpur is equipped with modern machinery and testing systems to ensure consistency and excellence. Each stage, from raw material selection to final dispatch, is closely monitored by our quality experts. We also maintain a robust distribution network that ensures timely delivery across India and beyond, enabling us to meet the demands of clients efficiently and effectively.
