About Us

Our manufacturer and supplier company named Omtech, was founded back in 1967. We are a customer-centric business that works to provide our sizable and expanding consumer base throughout India with access to cutting edge technology and the most recent advancements in the audio and video industries at a reasonable price. Our collection includes Bluetooth Speakers, Colorful Light Portable Bluetooth Speaker, Digital Set Top Box, Tower 10 Bluetooth Speaker and a lot more products. Being a third generation family business, we are extremely proud of our legacy. Our company ethic has always been built on providing exceptional customer service and earning the trust of our clients. We work hard to maintain these goals every day and hold our market leading image. The headship of Mr. Nitish Pahwa, we are constantly growing at a rapid pace and offering right value of customers money.

We at Omtech strive for perfection in the music and entertainment experience through innovative technology and fantastic products. Our Gurugram, Haryana, India based company is catering to demands of customers associated with a wide range of items, including Bluetooth Tower 8 Speaker, HD Set Top Box, Party Speakers, etc. Excellence through rigorous quality assurance processes, user-friendly designs, and the highest standard of quality with regard to customer satisfaction and competitive pricing—ensuring that our products add value and help improve your lifestyle. Join us in changing the pace of entertainment and redefining sound quality.
