## About Us

Dulevo India Pvt. Ltd. is a joint venture of Dulevo International, a Parma, Italy based corporation. Operating from the prime location of Uttar Pradesh, India, our company has expertise in providing industrial, municipal and professional cleaning equipment which include Road Sweeper Machine, Professional Sweepers, Municipal Sweepers Ever since our inception in 2008, we as a respected manufacturer and supplier extremely focused towards providing our customers with advance technology and quality cleaning products.

Things which makes us superior than the other manufacturing companies is our unparalleled approach towards environment friendliness, particle filtering technology, usability of resources and reduced consumption of fuel. Our cleaning machines are designed in such a manner that they can easily work in tough conditions of India like crowded & congested roads, streets, schools, hospitals and other such areas. Installed ultrafine filtering method of our cleaning systems allow the users to properly clean large indoor & outdoor areas like factories, supermarkets, warehouses, airstrips and car parks. Further, we are supported with a team of qualified professionals who helps us in rendering Sales & After Sales Services in the Indian market. The engineers working with us are professionally trained by Dulevo International, Italy. We have presence all over India through the wide spread distribution network who are competent in their work.
