About Us

Shivam Steel is a prime name in the trading and supply of quality construction materials, serving customers across Sonipat, Haryana, and nearby regions since 2014. Established with a vision to provide reliable, high-grade building products, we have steadily grown into a dependable Trader, Wholesaler, and Supplier for the construction and infrastructure sector. Over the years, Shivam Steel has built a strong reputation based on quality assurance, transparent business practices, and timely delivery. We understand that construction projects demand consistency, strength, and reliability, and we strive to meet these expectations with every order we fulfill.

We specialize in supplying premium construction materials that meet industry standards and client requirements. Our key product offerings include TATA Tiscon SD TMT Bars, AAC Blocks, etc.
