About Us

We, Protek Enterprises, are a trusted manufacturer and exporter that has attained NSIC/SSI/ISO:9001:2008/CE and registered supplier in govt./semi-govt. departments of India. We offer our products including Single Phase Industrial Online UPS, Servo Voltage Regulator, Three Phase Servo Air Cooled Voltage Stabilizer, etc. in quality packaging materials like plastic, thermocol and cardboard to protect them from damage during shipment. The power backup items supplied by us are manufactured from the finest materials and are known for high performance, energy efficiency, low maintenance, sturdy construction, compact design, and longer serving life, and many more features. We follow total quality management at all the stages of manufacturing so that we can offer the best value of customers invested money. Moreover, we understand that low-quality stabilizers can cause a big mis-happening and thus, we take extra care for the same.

We have constructed a big infrastructure that is well-equipped with the latest machines in order to manufacture Servo Voltage Regulator, the Single Phase Industrial Online UPS, Three Phase Servo Air Cooled Voltage Stabilizer etc. as per the industrial norms. Our production house is spread on an area of approximately 2200 sq ft along with 1000 sq ft open area. With the help of advanced machines and tools, we are able to utilize raw inputs like transformers, wires, resistors, cables, MCCB, etc. to manufacture a quality end product. We Computer-Aided Design and Computer-Aided Manufacturing facilities in our unit which helps in smooth business operations.
