## About Us

With the use of latest technology and advanced machines, we, Orion Packart, have tremendously grown in the packaging industry. Established in the year 1999, we are known as a prominent manufacturer, exporter, and supplier of Edge Protectors and Packaging Products like VCI Bags, Flexible Packaging Films, Air Bubble Packing, EPE Foam, EVA Foam Sheet, and etc. All these products are resistant to contamination, corrosion, absorption, which helps in containing the contents without losing their original quality. Moreover, these products are made from authentic raw materials that impart durability and reliability. Our manufactured range is highly usable in engineering, ceramic and glass industries.

Our entire range of packaging products is Eco- friendly in nature and is exclusively designed in sync with the fashion trends and prevailing market demand. We have acquired an unrivalled position in the market on the grounds of our quality, variety and style. Further, we are capable of executing bulk orders in smallest lead time that gives us an upper hand over our competitors. All these factors have helped us in achieving higher degree of customer satisfaction and attain a respectable name in the market.
