About Us

Super Metal Syndicate is one of the most experienced and highly trusted companies in the markets for pipes, tubes, bars, plates, flanges, and fittings. We have been maintaining an excellent record of supplying high-grade products to customers, ever since our foundation in 1965. Our products, such as Hastelloy Alloy Tube, Inconel Round Bars, Copper Pipe Tube, Monel Plate, Copper Gas Pipe, Weld Neck Flanges, Stainless Steel Stud, and Buttweld Fittings, make us highly popular in the market. Due to the regular demand for our products, we register excellent sales that position us among the top manufacturers and exporters in the domain. In order to fulfill the heavy demands, we maintain stock availability at all times and offer products in different sizes, grades, and specifications. Furthermore, we are conscious of timeliness in the delivery of orders and ensure that customers get the desired items within the promised time-period.

Success comes to those companies that respect customers and their interests. In order to give our customers the best favor in return for their trust, we follow a quality policy. The policy guides the actions of every staff member and makes us deliver the finest quality tubes, bars, plates, pipes, and many other products. Our quality controllers supervise the tasks of product development to achieve the desired output and deliver reliable products.
