

Offering a wide range of Flow Sensor, Digiflow Controller, Digiflow Transmitter, Digiflow Indicator, and more.

Battery Operated Flow Meter, Digital Conductivity Controller Meter, Digital Conductivity TDS Controller Meter, Digital Conductivity Tds Indicator Meter, Digital Flow Controller Field Mounting Meter, Digital Flow Controller Panel Mounting, Digital Flow Indicator Field Mounting, Digital Flow Meters, Digital Flow Panel Mounting Indicator, Digital Flow Panel Mounting Transmitter, Digital Flow Transmitter Field Mounting, Flameproof Flow Meter, PH Indicator, Paddle Wheel Flow Sensor, Ph Transmitter, etc.

DIGITAL FLOW CONTROLLER FIELD MOUNTING METER

DIGITAL FLOW TRANSMITTER FIELD MOUNTING

DIGITAL FLOW CONTROLLER PANEL MOUNTING

About Us

Relying on the state-of-the-art infrastructural set up and efficient workforce, we, Nuclus Control, have carved a niche for ourselves in the competitive industry. We are flow Instrumentation Company that focuses on providing turnkey solutions in water management. Based in Pune, we are one of the leading manufacturers, suppliers, and exporters of a sophisticated range of measuring/controlling instruments. Our range comprises Flow Meter, Digital Flow Meter, Flow Sensor, Digiflow Controller, Digiflow Transmeter, Digiflow Indicator, Digiflow Conductivity/TDS, and more. In addition, we also deal in to Tailor made Electronic Instrumentation. Reckoned for delivering excellent functionality, each of our products is made to pass through stringent quality tests to ensure complete satisfaction to our clients.

Established with the team of experts, Nuclus Control (Pune) is involved in manufacturing, exporting, and supplying of a wide range of controlling/measuring instruments. Our range includes Digital Flow Meter, Air Flow Sensor, Digiflow Controller, Digiflow Transmeter, Digiflow Indicator, Digiflow Conductivity/TDS, and more. These are known for their compact design, durability, convenient to use, energy saving, and robust construction. With our operating base in Maharashtra (India), we look to achieve 100% customer satisfaction through offering integrated solution. This gives us the strength and capabilities to improve the company's structure and work ethics in order to make Nuclus Control a well known name in the industry. Further, by the way of integrated solution support, we look to keep an open communication with clients and other business associates based in India and overseas markets.

Key Facts

No of Staff	10
Year of Establishment	2009
OEM Service Provided	Yes

Our Products

Battery Operated Flow Meter

Digital Flow Controller Field Mounting Meter

Digital Conductivity TDS Controller Meter

Digital Flow Meters

Ph Transmitter

Digital Conductivity Controller Meter

Digital Flow Transmitter Field

Stainless Steel Flow Sensor

Paddle Wheel Flow Sensor

Digital Flow Controller Panel Mounting

Flameproof Flow Meter

PH Indicator

Digital Flow Indicator Field Mounting

Digital Flow Panel Mounting Indicator

Digital Flow Panel Mounting Transmitter

Digital Conductivity Tds Indicator Meter
