About Us

Helmets are special gears that are worn to provide protection to the head. Considering their importance, they are forever in high demand in the market. Emphasizing the same, we, M/S Mohan Industries entered the market. Established as manufacturers and suppliers of helmets, we offer a wide variety including Either Red Color Helmets, Hyena Blue Helmets, Ample Plain Helmets, Fender Painted Helmets, and more. Each of our offered products is high quality and available in different specifications, as suggested by a large pool of customers, incorporating their requirements. To us, our customers are a priority. We strive to fulfill all their requirements on time and in the most flawless manner. Right from the beginning, we work hard to offer them multiple advantages, such as a swift on-boarding experience, prompt assistance, reliable after-sales services, and many more. Moreover, we make it a point that our customers enjoy all the advantages in return for never-seen-before-prices.

Teamwork helps harvest positive results. Emphasizing the same, at our organization we encourage our professionals to work in coordination with each other. When they all work together, they are able to pull off a smooth execution of every business operation, reducing overhead expenses. Further, they are able to make our range of Hyena Blue Helmets, Ample Plain Helmets, Fender Painted Helmets, Either Red Color Helmets and other varieties available at an affordable rate.
