

EXCLUSIVE HARDWARE FITTINGS

INNOVATIVE QUALITY PRODUCTS

AN ISO 9001 : 2015 CERTIFIED COMPANY

COMPANY PROFILE

Ambika Metal Works was established in the year 2007 as an eminent manufacturer, exporter, wholesaler, supplier and trader of hardware Fittings. We are an ISO 9001 : 2015 company. Our Customers could have optimum Solution for their specified fitting needs. Our products are designed with the latest trends in Door, Window and Furniture Fittings. We have dedicated designer team for the development. Under the wide array of offerings, we have introduced Door & Window Fittings, designed using qualitative materials and integrated with uniform thickness. Our offered range of fittings have gained wide market acceptance owing to their study Look, Subtitle Finish and uniform thickness.

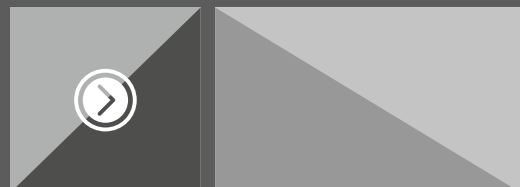

We export our products to South Africa, UK and UAE. It has been possible for us to deliver our promised specification, backed by our advanced infrastructure Facility. Our workplace is organized and has a distinguished range of machinery, for successful handling of our manufacturing task. In the Process, We are Backed by a team of experienced.

Our Vision and Mission to serve our customers with the excellent quality and reliable services, thus offering them value for money.

Commitment :

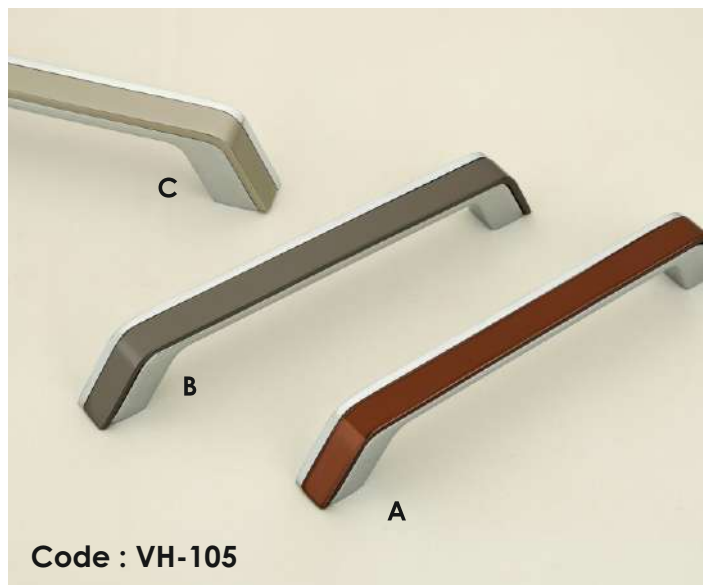

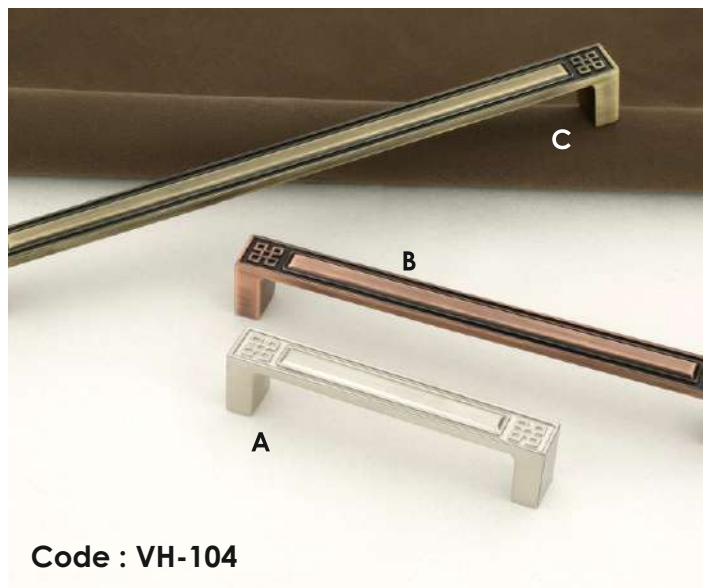

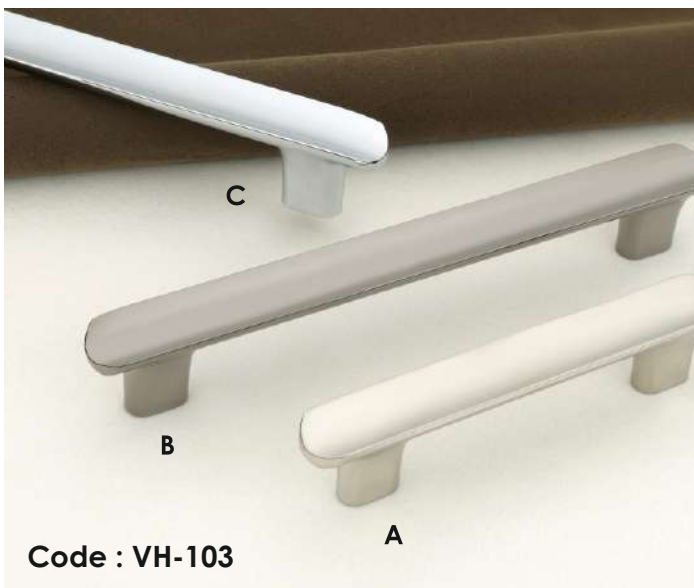

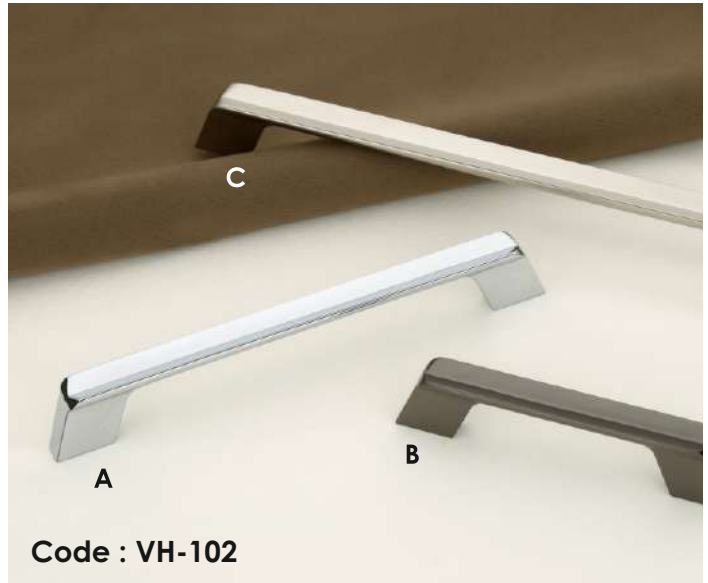

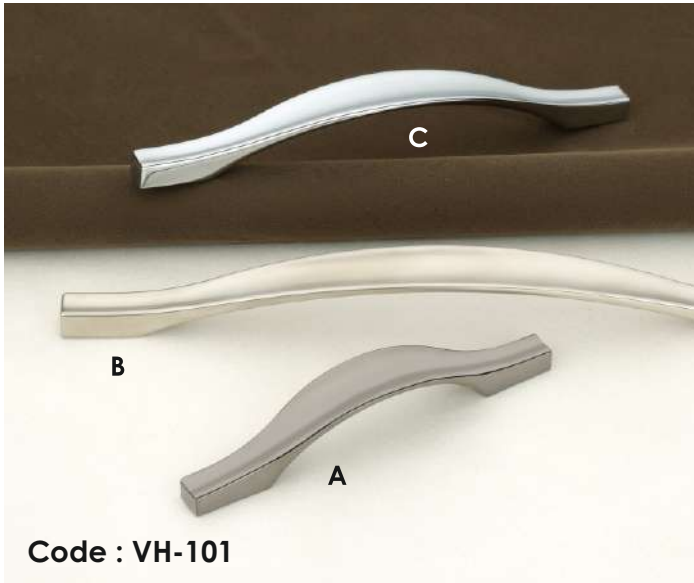

We are Manufacturing hardware products from SS and Zinc. We can assure you for the products which are manufacture by us which have long life.
