About Us

Yagyapriyaa Construction Equipment India Pvt Ltd is dedicated to providing strong, reliable, and innovative construction equipment solutions. Being a manufacturer, supplier, and exporter, the company combines engineering accuracy with functional innovation to develop high-performance equipment that meets the varied needs of the material handling sector. The prime range comprises material handling cranes, priyaa rtc 345 45 tonne pick and carry hydraulic mobile crane, rtc3030 2 part hydraulic mobile crane, priyaa truck mounted crane, mild steel c hook, and priyaa 5 tonne 360 degree rotation truck mounted hydraulic crane. The equipment is designed to surpass expectations in stability, safety, and efficiency.

Yagyapriyaa Construction Equipment India Pvt Ltd is a Chennai, Tamil Nadu-based organization that was founded in 1989. We are a veteran technocrat with more than a decade of experience in organizations such as Larsen & Toubro and Escorts, and has developed into a well-known name in the construction equipment industry. With a focused core on producing, supplying, and exporting superior hydraulic mobile cranes and material handling equipment, the company has supplied more than 300 machines in South India. Expanding now on a national level, we still make equipment customized according to individual client requirements, supported by a solid design and after-sales team. Each machine reflects a promise of quality, customizability, and customer satisfaction.
