About Us

G. N. Enterprises is already a famous company in the automotive spares market. Our achievements, and quality work speak of our excellence in the competitive business markets for three wheeler spare parts. Since our foundation in 1998, we have been meeting the global market demands for Bajaj 3 Wheeler Master Cylinder Bottle, Bajaj Three Wheeler Door Nut, Bajaj 3 Wheeler Oil Tank, Bajaj Three Wheeler Head Lamp, Bajaj 3 Wheeler Head Light Domm With Patti, and many other spares. We handle job profiles of a manufacturer and trader to confidently take up orders from customers in Indian and abroad.

We are also a famous exporter, having our strong presence in foreign market. We supply around 90% of our total product-line to customers based in overseas countries. In order to serve such at such a high competitive level, we ensure to maintain an excellent production capacity, and procurement links.
