

Brass Battery Terminal Connectors, Brass Chevron Threaded Inserts, Brass Component, Brass Cross Knurling Inserts, Brass Current Screws Terminal, Brass Current Terminal, Brass Current Terminal Block, Brass Current Terminal Connectors, Brass Current Terminal Screw Type, Brass Double Hex Inserts, Brass Earth Bars, Brass Earth Neutral Bars, Brass Earth Neutral Link, Brass Earth Tags, Brass Electric Meter Screw, etc.

BRASS STRAIGHT KNURLING ROUND INSERTS

BRASS CHEVRON THREADED INSERTS

BRASS TRIPLE SQUARE INSERTS

About Us

We, Shree Laxmi Brass Industries have come a long way since our foundation in the year 1982 and positioned ourselves as a noted Exporter and Manufacturer of Brass Current Terminal, Brass Neutral Bus Bar, Screw Terminal Block, Brass Electric Screw, Brass Earth Bar, Brass Sealing Screws, Brass Terminal Screws, Brass Turned Components & Brass Electrical Wiring Accessories for, which are superior to other alloy made components, therefore preferably advisable material, having discovered application in varied industries. Owing to their distinguished properties like robustness, machine ability, longer expectancy, appearance, corrosion-resistance, malleability and etc, Brass Components, designed by us, characterize perfect geometry and exacting topology for befitting the requirement creditably.

We have also adopted the method for de-leading and removing the leachable lead in order to make Brass Components the desirably suitable, used in Single Phase & Three Phase Energy Meters and other aqueous applications. We have housed the sophisticated hot forming machines and other leading-edge technology to stamp and form a motley range of Brass Components, Brass Meter Components, conforming to the quality benchmark with competitive price tag.

To believe in the fine quality and customers satisfaction is of supreme significance, so we have developed adequate infrastructure for manufacturing and performing the quality-control test in house in order that we can offer the top-of-the-line Brass Energy Meter Parts & Brass Electrical Components, besides ensuring the clear dealing. That leads to forge long-term business relation with our clients.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	brass machine screws,ms machined screw,Neutral terminal bar,brass current terminals,
No of Staff	100
Year of Establishment	1982
OEM Service Provided	No
Memberships	IFOA
ProductRange	brass machine screws,ms machined screw,Neutral terminal bar,brass current terminals,

Our Products

Brass Earth Bars

Brass Sealing Screw

Brass Earth Neutral Bars

Brass Neutral Link

Brass Turning Fasteners

Brass Turned Components

Brass Inserts

Brass Triple Knurling Inserts

Brass Electrical Meter Screw

Brass Cross Knurling Inserts

Brass Double Hex Inserts

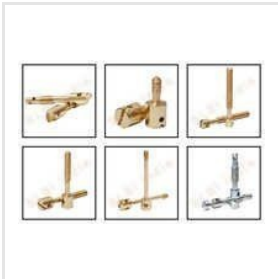

Brass Electric Meter Screw

Brass Energy Meter Screw

Brass Moulding Insert

Brass Electric Sealing Screw

Brass Screws
