About Us

Established in 2017 and based in Rajkot, Gujarat, India, Royal Agro Tech is a trusted Manufacturer and Supplier of agricultural crop care solutions designed to support productive, sustainable, and efficient farming. Our company offers a diverse range of agricultural products, including Bio Herbicide, Bio Fungicide, Bio Insecticide, Organic Insecticide, Plant Growth Regulator, etc., serving the evolving requirements of farmers, agricultural professionals, dealers, and allied businesses.

We focus on providing practical crop care solutions for different agricultural needs, covering crop protection, pest management, weed control, fungal disease management, and plant growth enhancement. Our product portfolio reflects a broad approach to modern agriculture, combining biological and plant focused solutions with a comprehensive selection of crop protection products. The range includes insecticides, herbicides, fungicides, biopesticides, and plant growth promoters, offering customers multiple solutions through one dependable source.
