About Us

Khodal Enterprise provides a wide range of high-grade 90-degree carbon steel elbows, cast iron flanges, fire hose pipe, industrial mild steel round pipe, carbon steel pipe, anchor fasteners, etc. We are a leading supplier, trader, and wholesaler of high-end products to add productivity and maintain the integrity of varied industrial settings. We have developed strong business alliances with reputed vendors in the market to source matchless products in terms of quality and sturdiness. These products are meticulously crafted by experienced manufacturers using robust and durable raw materials to deliver the best to the market. By prioritizing quality in every step of the procurement and delivery process, we ensure that all the products exceed the expectations of our valued customers.

Each member of the team has unique expertise and skills that are directed towards delivering excellence in everything our company does. From sourcing, sales, customer service, and delivery, our team works collaboratively to explore new industry trends and meet customers requirements. Our sales and marketing team is dedicated to understanding the requirements of the clients, offering them expert guidance, and providing them with the best possible services. Our responsive, attentive, and talented team addresses the inquiries or concerns of the clients promptly to provide them with exceptional support throughout the customer journey.
