About Us

United Industries is the leading manufacturer and supplier in quality plastic storage products for industries in general. As a leader of years in an industry committed to excellence, our specialty includes building durable, innovative products that we have on hand, including plastic partition storage boxes, plastic jewelry boxes, plastic transparent jewelry boxes, plastic saree storage boxes, and plastic printed food containers. Diversified products with a varied number of different applications provide effective and organized means of storage while addressing the fluidity of a client's demands. United Industries holds a strong value in quality and customer satisfaction. We manufacture our products using the highest grade of plastic materials to ensure durability and a long period before wear and tear. Our aim is to create products with both practical functionality and aesthetic appeal, using the finest technology coupled with skilled craftsmanship.

Our Plastic Partition Storage Boxes are designed for maximum organization, ideal for use at home or in industry. Plastic Jewelry Boxes, transparent also, provide secure and stylish storage solutions for delicate items. Plastic Saree Storage Boxes ensure that garments are kept in their pristine condition. Plastic Printed Food Containers are designed for safe food storage with emphasis on convenience and hygiene. United Industries is noted for its environmentally friendly practices by offering eco-friendly solutions without compromising the quality or the design. Centered on innovation, reliability, and customer satisfaction, we continue leading the way as top-tier providers of plastic storage solutions for every kind of demand.
