About Us

Banking upon an experience of 33 years, we, Dharma Engineering Works are offering a gamut of Sheet Metal Cap. Our whole range includes Brass Hose Cap, Aluminum Hose Cap, Sheet Metal Hose Cap, SS Hose Cap and much more items. These products are manufactured with utmost precision by keeping the focus on each and specific detail given by the clients. Further, these are best known for their impeccable finish, corrosion resistance nature, dimensional accuracy, leak proof nature, and durability. Available with customized specifications, the offered products are widely demanded in electrical and automobile sectors.

Incorporated in the year of 1985, we are an acclaimed Manufacturer & Supplier of fittings. As we belong to the industrial fitting domain, it is difficult to achieve success because of the excessive competitiveness; but we have made it easy as we have hired the skillful professionals to produce quality products in order to satisfy our clients. Our team of employees consists of dedicated, sincere, hardworking, designer, packaging experts, quality auditors, and logistics personnel.
